## Main Camp

Main Camp lodging facilities include the cabins and bunk houses. Both the Sunflower and Cottonwood bunk houses are centrally heated and cooled. Cottonwood bunk house is not available during summer youth camps (typically the end of May to the middle of August). Check with camp staff to confirm when this building is available. The dining hall/kitchen and shelter areas are usually considered part of Main Camp facilities unless a group is only using tent/RV areas. Tent and RV areas are shared with the Retreat Center facilities, but are not available when summer youth camps are running (usually Sunday through Friday nights). All activity areas are shared (playground, sports fields, canoes, pool, etc.). Groups are asked to be aware of when their activities may disrupt worship services or activities of others using the camp grounds. No hunting, no alcohol, and no smoking allowed on camp property. The gazebo near the Retreat Center is intended for use by the group staying in the Retreat Center. The bell should be used only by the group staying at the Main Camp facilities.

Prices listed are per person/night or day unless otherwise noted. Day rates apply to all who attend an event at Camp Mennoscah, regardless of the length of time. The total cost is either the total of per person rates or the minimum charge per night, whichever is greater. **The minimum charge is per night.** (A two-night stay at Main Camp has a minimum charge of \$325 x 2 = \$650.) Your deposit is applied to your total cost.
