

Pricing Worksheet COVID-19

This pricing is effective immediately upon publication.

The idea of this indefinite and flexible pricing is to account for the unknown in the next months and to accommodate smaller groups, especially over the winter months when tenting is less popular.

The pricing worksheet from 2020 will remain the same for groups wanting to rent a complete facility (Main Camp, Retreat Center, or Bluestem) or when total costs for the group are equal or above 80% of the regular pricing, unless otherwise stated. When it appears COVID-19 is no longer significantly preventing groups coming to camp, the pricing structure will be reviewed.

Camp Mennoscah may revoke or revise this pricing structure at any time and has the right to restrict groups as deemed necessary. All policies and guidelines of Camp Mennoscah must be followed. Camp Mennoscah follows local, state and federal orders and mandates regarding COVID-19 (masks and physical distancing, for example).

Retreat Center

When using 4 or fewer rooms, the price is \$38.50/adult and \$15/child. It is expected that immediate families will have at least 2 people per room. The kitchen and lounge areas are shared with staff and anyone else using the RC. Use will be limited to the main floor unless more than one group. Doors will be locked to rooms/areas not being used.

Bluestem

Pricing remains the same with the minimum charge removed for smaller groups. Smaller groups (4 or fewer people) will only have access to the main floor with the kitchen.

Main Camp

A bunkhouse can be used without renting the whole of main camp, with a minimum 4 people per night. Use of the kitchen is additional charge of \$100; use of the dining hall/Buffalo Rm/Buffalo Room bathrooms is additional \$75. No hot plates.

Use of only the dining hall/Buffalo Room and kitchen areas without lodging or staying overnight is \$225 plus day rates. Arrival no earlier than 8:30am and depart by 8pm.

Cabins/RVs/Tenting

Pricing remains the same. Bathhouses are closed during the winter. Access to bathrooms and showers will be arranged.
